## Education

|                                                                                                                                                     |                 |
|-----------------------------------------------------------------------------------------------------------------------------------------------------|-----------------|
| <b>North Carolina State University</b> , Ph.D. Economics                                                                                            | 2027 (expected) |
| Committee: <a href="#">Spencer Banzhaf</a> (advisor), <a href="#">Erin Sills</a> , <a href="#">Roger von Haefen</a> , <a href="#">Zhenxuan Wang</a> |                 |
| <b>Montana State University</b> , M.S. Applied Economics                                                                                            | 2022            |
| <b>Appalachian State University</b> , B.A. Economics ( <i>summa cum laude</i> )                                                                     | 2020            |
| Minor: Mathematics                                                                                                                                  |                 |

## Research fields

**Fields:** Environmental and natural resource economics, environmental markets, nonmarket valuation

## Working papers

- Asymmetric Information and Transaction Costs in Voluntary Conservation Markets* (**Job market paper**) [\[PDF\]](#)
- Adoption Costs for Offsets: Evidence from California* [\[PDF\]](#)
- Under review
  - First place, *William D. Toussaint Best Paper Award*, NC State Economics Department

## Works in progress

- Recreation Welfare Effects with Climate Change-Induced Migration*
- Impacts of Centralized Budget Policy on National Parks: An analysis of the Federal Land Recreation Enhancement Act*
- The Value of Shoreline Recreational Fishing Across Time and Space: An internal meta-regression approach* (with [Sasha Naumenko](#), [Colton Leach](#), and [Roger von Haefen](#))
- Stability in Centralized College Major Assignment* (with [Umut Dur](#))

## Research experience

|                                                                                                                                                                                                                          |                     |

## Teaching experience

---

U. = Undergraduate course, Ph.D. = Doctorate course

### Instructor

#### NC State University

ARE 336 (U.): *Introduction to Environmental and Resource Economics* Fall '25

#### Montana State University

ECNS 202 (U.): *Principles of Macroeconomics* Fall '21, Spring '22

### Graduate teaching assistant

#### NC State University

ARE 336 (U.): *Introduction to Environmental and Resource Economics* Fall '23, Spring '25, Fall '26

ARE 301 (U.): *Intermediate Microeconomics* Fall '26

ECG 702 (Ph.D.): *Microeconomic Theory II* Spring '24

EC 201 (U.): *Principles of Microeconomics* Fall '22, Spring '22, Fall '23

Head TA in Fall '23

#### Montana State University

ECNS 202 (U.): *Principles of Macroeconomics* Summer '21, Summer '22

ECNS 403R (U.): *(Honors) Introductory Econometrics* Fall '20

## Seminars and conference presentations (including scheduled\*)

---

*Asymmetric Information and Transaction Costs in Voluntary Conservation Markets* (all in 2026)

Camp Resources XXXII, North Carolina State University, Triangle Theory Workshop\*, AERE @ the Southern Economic Association\*, Appalachian State University\*, East Carolina University\*

*Adoption Costs for Offsets: Evidence from California*

NCSU Economics Third Year Workshop (2026)

*Impacts of Centralized Budget Policy on National Parks: An analysis of the Federal Land Recreation Enhancement Act*

Property and Environment Research Center (2025), Appalachian Experimental and Environmental Workshop (2024)

*Recreation Welfare Effects with Climate Change-Induced Migration*

NCSU Graduate Student Seminar Series (2025)

## Awards and fellowships

---

Andrew J. & Thelma K. Bartley Endowed Graduate Fellowship, NC State Poole College of Management 2026

NBER travel grant 2026

First place, Best Paper Award, NC State Department of Economics 2026

PERC graduate summer fellowship, **Property and Environment Research Center** 2025

Top student in economics, Appalachian State University 2020

## Professional activities

---

### Referee service

AERE @ the Southern Economic Association conference, Environmental Research Letters

### University service

Graduate student seminar organizer, NCSU 2025–present

Vice President, Economics Graduate Student Association, NCSU 2024–present

### Membership

American Economic Association

Association of Environmental and Resource Economists

European Association of Environmental Resource Economists

## Technical skills

---

**Computing:** Julia, Git,  $\text{\LaTeX}$ , Matlab, R, SAS, Stata
